Resolution
Creation of Agricultural and Rural Caucus

The Okanogan County Central Committee presents this Resolution to create an Agriculture and Rural Caucus within the Democratic State Organization.

In order to compete in statewide and national elections and to address issues which are paramount to winning elections in Central and Eastern Washington the Agricultural and Rural viewpoints must be acknowledged by the State Democratic Organization.

The course of action by the state organization is to give assurances and to revitalize our Eastern Washington Counties and to create an Agricultural and Rural Caucus. Elections are won and lost by a slim margin in Washington State.

THEREFORE BE IT RESOLVED that the Okanogan County Central Committee presents this Resolution to form an Agricultural and Rural Caucus within the State Democratic Organization.
